The LIGAACLIP® ERCA Endoscopic Clip Appliers earned your trust with outstanding control and performance.

THE LIGAACLIP® ENDOSCOPIC CLIP APPLIER IS A STERILE SINGLE-PATIENT-USE INSTRUMENT. FEATURES INCLUDE:

• Large clip size options — 8.8mm closed clip length for ER320 and 11.0mm for ER420
• Contains 20 titanium clips with lateral and transverse grooves to resist clip dislodgement
• 360° rotation knob/shaft — designed for easy rotation and one-handed use
• Rigid and low glare shaft — made of a material that minimizes reflection and minimizes instrument movement during firing
• Fully automatic clip loading system for a smooth, controlled one-step firing sequence
• Anti-clip drop ratchet mechanism
• Last clip lockout with indicator bar
